The funeral of Theodore Schrieber took

Mr. Schrieber was one of Wheeling's best known citizens, and his uniform uprightness and courtsey in his intercourse with others, made him honored and respected by all who came in contact with him. At the time of his death he was aged 67 years and 9 months. He was one of the pioneer German setlers here, and as a florist and gardener amassed a comfortable fortune. For several years past he has not enjoyed good health, and two or three years ago he visited his old home in Germany in the hope of improving it. The relief he gained was but temporary. His loss will be regretted by a large circle. He was a prominent member of the Arion Society, the members of which were largely represented at the funeral.

APRIL GAMES. Manager Buckenberger last evening ex-Manager Buckenberger last evening expressed the opinion that the Wheeling club had some pretty hard work before it during April. There are very few dates open daring the month. Detroit and Cincinnait have cancelled their dates owing to a change in opening the season. Toronto, Buffalo and other clubs will play on dates as hereiofore announced.
